

Water Service Line Replacements

Open House
Department of Public Works Lunch Room,
1350 E Keating Ave
Thursday, March 9, 4-6 pm

Project Summary

Water service line replacement to all homes located within the grid outlined on the map, generally in the east Marsh Field neighborhood south of Laketon. Within a three year timeframe the contracted company will work to replace water service lines into each home. This will require a new line being drilled into the basement of each home, and will be followed by new pavement in the road. The City estimates that the work could begin in August 2023. The City or the City's Contractor will get in contact with you to schedule the replacement of your water service line.

Important Facts

Changes to expect: A new water service line from your basement to the street, followed by new pavement in the road.

Timeline/timeframe: A day or two of work at your home, sometime between August 2023 to August 2025. A time will be scheduled with you before the work is done.

Lane, road or intersections shutdown: Your street may be closed to traffic while the work happens, but you will have access to your home.

Roberts St Road Project

Open House
Department of Public Works Lunch Room,
1350 E Keating Ave
Thursday, March 9, 4-6 pm

Road Construction Project Summary

Rebuild Roberts from Barney to Laketon. At the end of this project the road will have new pavement. The road will not change other than the new blacktop. New sidewalk will be installed between Laketon and Keating on the west side of the road. The project will begin around Memorial Day and is expected to take about a month and a half to complete, which means it should be done around July 4th. These times may change as the project goes on.

Important Facts

Changes to expect: None, except new pavement and new sidewalk on the west side from Laketon to Keating.

Timeline/timeframe: Beginning March 13, 2023, expected to be complete in about a month and a half.

Lane, road or intersections shutdown: Traffic one lane only going northbound

Detour Explanation: Southbound detoured to Getty.
